FIFA U-17 World Cup

1. The FIFA U-17 World Cup (“World Cup”) is a FIFA competition embodied in the FIFA Statutes.
2. The World Cup takes place every two years. As a general rule, every association affiliated to FIFA may participate in the World Cup.
3. Participation in the World Cup is free of charge.
4. The World Cup consists of a preliminary competition and a final competition.
5. Any rights that are not ceded by these Regulations to the Organising Association or any Participating Member Association or to a confederation shall remain with FIFA.
6. The Regulations for the FIFA U-17 World Cup Mexico 2011 (“Regulations”) regulate the rights, duties and responsibilities of all associations taking part in the FIFA U-17 World Cup Mexico 2011 and of the Organising Association by forming an integral part of the Hosting Agreement (“HA”). The Regulations and all guidelines and circulars issued by FIFA are binding for all parties participating and involved in the preparation, organisation and hosting of the FIFA U-17 World Cup Mexico 2011.
7. The FIFA Statutes and all FIFA regulations in force shall apply. Any reference in these Regulations to the FIFA Statutes and regulations refers to the Statutes and regulations valid at the time of application.

2 Preliminary competition

1. The organisation of the preliminary competition in the applicable form is assigned to the confederations in accordance with the FIFA Statutes in their applicable form. The confederations are required to draw up regulations for the preliminary competition and to submit them to the FIFA general secretariat for approval at least three months before the start of the preliminary competition.

2. On entering the preliminary competition, all associations automatically undertake to:
 - a) observe these regulations;

 - b) accept that all administrative, disciplinary and refereeing matters related to the preliminary competition shall be dealt with by the respective confederation in compliance with the regulations submitted. FIFA will only intervene in matters involving associations not affiliated to a confederation if a confederation requests FIFA's assistance or in any cases specifically provided for in the FIFA Disciplinary Code;

 - c) observe the principles of fair play.

3 FIFA Organising Committee

1. The Organising Committee for the FIFA U-17 World Cup, appointed by the FIFA Executive Committee, is the organising committee for the FIFA U-17 World Cup Mexico 2011 (the "FIFA Organising Committee") and is responsible for organising the final competition in accordance with the FIFA Statutes.

2. The FIFA Organising Committee may, if necessary, appoint a bureau and/or a sub-committee to deal with emergencies. Any decision taken by the bureau or sub-committee shall come into effect immediately but shall be subject to confirmation by the plenary committee at its next meeting.

4 Organising Association

- 1.** The FIFA Executive Committee has appointed the Federación Mexicana de Fútbol Asociación (the "Organising Association") as the host of the final competition of the FIFA U-17 World Cup 2011.
- 2.** The Organising Association is responsible for organising, hosting and staging the final competition. It shall set up a Local Organising Committee ("LOC") in accordance with the HA, a special contract regulating the working relationship between FIFA and the Organising Association. The Organising Association and the LOC shall be subject to the control of FIFA. All FIFA decisions are final.
- 3.** The obligations and responsibilities of the Organising Association with respect to the final competition are stipulated in the HA. They include but shall not be limited to:
 - a)** ensuring that safety and order is maintained, particularly in and around the stadiums. It shall take adequate measures to prevent and avoid outbreaks of violence;
 - b)** ensuring that safety and order is maintained around the hotels and training grounds of the participating teams;

The timely submission to the FIFA general secretariat of any such documents is of the essence. The deadline shall be deemed as having been met if the relevant documents reach FIFA by the specified deadline. If a Participating Member Association fails to adhere to the time limits and/or fails to meet the formal requirements for submitting the necessary documents, the FIFA Organising Committee shall pass a decision.

5. All Participating Member Associations shall indemnify, defend and hold FIFA, the LOC, and all of their officers, directors, employees, representatives, agents, and all other auxiliary persons free and harmless against any and all liabilities, obligations, losses, damages, penalties, claims, actions, fines and expenses (including reasonable legal expenses) of whatsoever kind or nature resulting from, arising out of, or attributable to, any non-compliance with these Regulations by the Participating Member Associations, their Delegation Members, their affiliates and any third parties contracted to the Participating Member Associations.

6

Withdrawal, penalty for failing to play, replacement

- 1.** All Participating Member Associations undertake to play all of their matches until eliminated from the World Cup.

- 2.** Any Participating Member Association that withdraws from the World Cup no later than 30 days before the first match of the final competition shall be fined at least CHF 15,000 by the FIFA Disciplinary Committee. Any Participating Member Association that withdraws from the World Cup fewer than 30 days before the first match of the final competition shall be fined at least CHF 20,000 by the FIFA Disciplinary Committee. Depending on the circumstances of the withdrawal, the FIFA Disciplinary Committee may impose additional sanctions, including the suspension of the Participating Member Association concerned from subsequent FIFA competitions.

- 3.** Any Participating Member Association that withdraws before the start of the final competition may be replaced by another association. The FIFA Organising Committee shall decide on the matter at its sole discretion.

- 4.** Depending on circumstances and the decision of the FIFA Organising Committee, in addition to the fine under paragraph 2 above, any Participating Member Association that withdraws may be ordered to reimburse FIFA and the Organising Association for any costs and expenses already incurred as a result of its involvement in the final competition, and may also be obliged to pay compensation for any damages or losses incurred.

- 5.** The relevant FIFA committee shall determine the amount of damages for financial loss upon receipt of a substantiated and documented request from the Organising Association. Any decisions taken by the relevant FIFA committee shall be final and binding for the withdrawing association and not subject to appeal.

6. 7. The FIFA Organising Committee shall take whatever action is deemed necessary in the case of force majeure.

7

Disciplinary matters

1. Disciplinary incidents are dealt with in compliance with the FIFA Disciplinary Code in force as well as with all relevant circulars and directives, with which the Participating Member Associations undertake to comply.
2. FIFA may introduce new disciplinary rules and sanctions for the duration of the World Cup. Such rules shall be communicated to the Participating Member Associations one month before the first match of the final competition at the latest.

4. In addition, the players agree notably to:
- a) respect the spirit of fair play and non-violence;
 - b) behave accordingly;

8

2. The FIFA Disciplinary Code, the FIFA Anti-Doping Regulations and all other relevant FIFA regulations and directives will apply to the World Cup.

9

Disputes

1. All disputes in connection with the World Cup shall be promptly settled by mediation.
2. In compliance with the FIFA Statutes, Participating Member Associations may not take disputes to an ordinary court of law but to the exclusive jurisdiction of FIFA.
3. The Participating Member Associations acknowledge and accept that, once all stages of appeal have been exhausted at FIFA, their sole recourse shall be to the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland, unless excluded or for final and binding decisions. Any such arbitration proceedings shall be governed by the CAS Code of Sports-related Arbitration.

10

Protests

- 1.** For the purpose of these Regulations, protests are objections of any kind related to events or matters that have a direct effect on matches, including but not limited to the state of and markings on the pitch, accessory match equipment, eligibility of players, stadium installations and footballs.
- 2.** Unless otherwise stipulated in this article, protests shall be submitted in writing to the FIFA match commissioner within two hours of the conclusion of the match in question and followed up immediately with a full written report, including a copy of the original protest, to the FIFA headquarters in the host country, otherwise they will be disregarded.
- 3.** Protests regarding the eligibility of players nominated for matches shall be submitted in writing to the FIFA headquarters in the host country no later than five days before the first match of the final competition and shall be dealt with by the FIFA Disciplinary Committee.
- 4.** Protests regarding the state of the pitch, its surroundings, markings or accessory items (e.g. goals, flag posts or footballs) shall be made in writing to the referee before the start of the match by the head of delegation of the team lodging the protest. If the pitch's playing surface becomes unplayable during a match, the captain of the protesting team shall immediately lodge a protest with the referee in the presence of the captain of the opposing team. The protests shall be confirmed in writing to the FIFA match commissioner by the head of the team delegation no later than two hours after the match.
- 5.** Protests against any incidents that occur during the course of a match shall be made to the referee by the team captain immediately after the disputed incident and before play has resumed.
- 6.** No protests may be made about the referee's decisions regarding facts connected with play, such decisions being final.

7. If the above time limits and formal requirements for lodging a protest case are not met, the protest shall be disregarded either by the FIFA Organising Committee or by the FIFA Disciplinary Committee, as the case may be.
8. If an unfounded or irresponsible protest is lodged, the FIFA Disciplinary Committee may impose a fine.

11 Equipment, team colours

1. The Participating Member Associations shall comply with the FIFA Equipment Regulations in force.
2. Delegation Members and any other persons carrying out duties on the Participating Member Associations' behalf are not allowed to display political, religious, commercial or personal messages in any language or form on their playing or team kits, equipment (including kit bags, beverage containers, medical bags, etc.) or body for the duration of their time in the stadiums, training grounds or any other areas where accreditation is required to gain access. Any violations shall be reported to the FIFA Disciplinary Committee for the necessary sanctions to be imposed in accordance with the FIFA Disciplinary Code.
3. Each team shall inform FIFA of two different and contrasting colours (one predominantly dark and one predominantly light) for its official and reserve team kits (shirt, shorts and socks). In addition, each team shall select three contrasting colours for its goalkeeper kits. These three goalkeeper kits must be distinctly different and contrasting from each other as well as different and contrasting from the official and reserve team kits. This information shall be sent to FIFA on the team colour form. Only these colours may be worn during matches.
4. FIFA will inform the teams of the colours that they shall wear for each match.

- 5.** During the final competition, all equipment (kits, gloves, bags, medical equipment, etc.) that could be on display within the stadiums, the training grounds, the hotels or during transfers to, from or within the host country must be approved by FIFA. The approval procedure and the applicable deadlines will be communicated by circular letter.
- 6.** Throughout the World Cup, each player shall wear the number assigned to him on the official players' list in accordance with the FIFA Equipment Regulations.
- 7.** The player's last name or popular name (or abbreviation) shall be affixed above the number on the back of the shirt and shall be clearly legible in accordance with the FIFA Equipment Regulations.
- 8.** FIFA will supply a sufficient number of players' sleeve badges with the official logo of the World Cup, which shall be affixed on the right-hand sleeve of each shirt. FIFA will issue a circular letter to the Participating Member Associations outlining the instructions for use of the players' sleeve badges.
- 9.** The official and reserve team kits (including those of the goalkeepers) shall be taken to every match.
- 10.** The footballs used in the final competition shall be selected and exclusively supplied by FIFA. The footballs shall conform with the provisions of the Laws of the Game and the FIFA Equipment Regulations. They shall bear one of the following three designations: the official "FIFA APPROVED" logo, the official "FIFA INSPECTED" logo or the "INTERNATIONAL MATCHBALL STANDARD" reference.
- 11.** Each team will receive training balls from FIFA immediately after the official draw as well as additional training balls upon arrival in the host country. Only these balls delivered by FIFA may be used for training and warm-up sessions in the official stadiums and at the official training sites.

12. During the final competition, the FIFA flag and the flags of the host country and both competing associations shall be flown in the stadium at every match. The FIFA Fair Play flag and the UN flag shall also be hoisted or draped in the stadium, clearly visible from the VIP box. The FIFA anthem shall be played while the teams are entering the pitch, followed by the national anthems of the two teams.

12 Venues, stadiums, training sites, dates and kick-off times for matches

- 1.** The venues, dates and kick-off times of the matches shall be proposed by the LOC, subject to the approval of the FIFA Organising Committee.
- 2.** The FIFA Organising Committee shall fix the dates and venues of the matches, allowing each team a minimum rest period of 48 hours between matches.
- 3.** The Organising Association shall ensure that the stadiums and facilities in which the matches take place comply with the FIFA Safety Regulations and other FIFA guidelines and instructions for international matches in force. The stadiums selected for use during the World Cup shall be subject to approval by FIFA. The Organising Association is responsible for safety and order in and around the stadiums before, during and after matches.
- 4.** As a general rule, final competition matches may only be played in all-seater stadiums. If only stadiums with both seating and standing areas are available, the standing areas shall remain vacant.
- 5.** The fields of play, accessory equipment and all facilities for each match shall be in optimum condition and comply with the Laws of the Game and all other relevant regulations. All goals must be equipped with goal nets. Matches may be played on natural or artificial surfaces. Where artificial surfaces are used, the surface must meet the requirements of the FIFA Quality Concept for Football Turf or the International Artificial Turf Standard.

6. Matches may be played in daylight or under floodlight. Matches played at night may be played only at venues with floodlighting installations that ensure that the whole pitch is evenly lit according to FIFA specifications. An emergency independent power generator shall also be available in each stadium which, in the event of a power failure, guarantees at least two-thirds of the FIFA-specified intensity of light for the whole pitch and ensures emergency lighting in the whole stadium. The FIFA Organising Committee is entitled to grant exceptions, which are final.

7. Weather and pitch conditions permitting, teams that are due to play a match in a stadium in which they have not previously played will be entitled to one 45-minute training session in that stadium no later than the day before their match. Training times will be communicated by FIFA. In principle, a minimum of 45 minutes shall be set between the end of one team's training session and the start of the next team's training session. If the pitch is not in good condition or the training session would negatively affect the state of the pitch, FIFA may shorten or cancel the training session and direct the teams only to inspect the pitch wearing training shoes.

8. The teams will be entitled to warm up on the pitch before each match, weather permitting. If the pitch is not in good condition or training sessions would negatively affect the state of the pitch for the match, FIFA may shorten or cancel the warm-up session.

9. Smoking is not allowed in the technical area.

10. The LOC shall provide training grounds for the teams. In principle, each team shall have a dedicated training ground. These training grounds shall be in good condition and approved by FIFA at least ten days before the start of the final competition. They shall be situated near the team hotel and made available at least five days before the opening match until one day after the team's last match in the World Cup.

11. As from five days prior to the first match of the final competition and up to their elimination, the Participating Member Associations shall use only those training sites which have been officially designated for training by FIFA. If a team's preparation site is used as an official training site, par. 13 will apply.

12. The stadiums and training grounds shall not be used for any other matches or events from at least ten days prior to the start of the final competition until the final competition is completed, unless the FIFA Organising Committee gives special permission.

13. All stadiums and training grounds shall be available and free of any and all commercial activities and identifications (e.g. boards and other signage) other than those of FIFA's commercial affiliates at least five days prior to the first match of the final competition until one day after completion of the final match.

13 Fields of play, retractable roofs, clocks, displays and giant screens

1. The pitch shall have the following dimensions: length 105m, width 68m. The total surface area shall have the following dimensions: length 125m, width 80m, in order to provide sufficient space for warm-up areas and pitch-side photographer positions.

2. If a stadium has a retractable roof, the FIFA match commissioner and the FIFA general coordinator, in consultation with the referee and the two teams' officials, shall decide before the match whether the roof shall be open or closed during the match. This decision must be announced at the match coordination meeting on the day before the match, although it may subsequently be modified prior to kick-off in the event of sudden and significant weather condition changes. If the match starts with the roof closed, it shall remain closed for the entire match. If the match starts with the roof open and there is a serious deterioration in the weather conditions, only the referee has the authority to order its closure during the match. In such an event, the roof is to remain closed until the end of the match.

3. Clocks in the stadium showing the length of time played may run during the match, provided that they are stopped at the end of normal playing time in each half, i.e. after 45 and 90 minutes respectively. The half-time interval shall be 15 minutes.
4. At the end of the two periods of normal playing time (45 and 90 minutes), the referee shall indicate to the fourth official, either orally or by gesturing with his hands, the number of minutes that he has decided to allow for time lost. Each allowance for time lost shall be shown on the panels or electronic display boards of the fourth official.
5. Panels or electronic display boards, numbered on both sides for clarity, shall be used to indicate the substitution of players and the number of minutes to be allowed for time lost.
6. The use of giant screens must be in compliance with the Guidelines for the Use of Giant Screens at FIFA Matches.

14 Match officials

1. A referee, two assistant referees and a fourth official will be appointed for each match by the FIFA Referees Committee. A reserve assistant referee may also be appointed. If appointed, the reserve assistant referee's only duty shall be to replace an assistant referee who is unable to continue or to replace the fourth official, as required. All match officials shall be selected from the FIFA International Refereeing List in force and shall be neutral and not a citizen of a country or member of an association whose team is playing in the group or match in question.

2. The match officials shall receive their official refereeing kits and equipment from FIFA. They shall wear and use only these kits and equipment on match days.
3. The match officials shall be provided with training facilities. These training facilities must be in good condition and must be approved by FIFA at least ten days prior to the start of the final competition.
4. If the referee or one of the assistant referees is prevented from carrying out his duties, such referee or assistant referee shall be replaced by the fourth official. The FIFA Referees Committee shall be informed immediately.
5. After each match, the referee shall complete and sign the official FIFA report form. The referee shall hand it over to the FIFA general coordinator at the stadium immediately after the match. On the report form, the referee shall note all occurrences of significance, such as misconduct of players leading to caution or expulsion, unsporting behaviour by supporters and/or by officials or any other person acting on behalf of an association at the match and any other incident happening before, during and after the match in as much detail as possible.
6. The decisions of the FIFA Referees Committee are final and binding and not subject to appeal.

15 Laws of the Game

All matches shall be played in accordance with the Laws of the Game in force at the time of the World Cup and as laid down by the International Football Association Board. In the case of any discrepancy in the interpretation of the translation of the Laws of the Game, the English version shall be authoritative.

16 Ticketing

1. Each Participating Member Association is entitled to receive complimentary tickets for the final competition. The total number of complimentary tickets for each Participating Member Association will be communicated by FIFA prior to the first match of the final competition.
2. FIFA will issue a ticket allocation agreement to each of the Participating Member Associations. All Participating Member Associations shall comply with this ticket allocation agreement and ensure that their members, Delegation Members and other affiliates also comply with such agreement.

17 Commercial rights

1. FIFA owns and controls all commercial and intellectual property rights in relation to the World Cup.
2. FIFA will issue Commercial Regulations specifying these commercial rights. All Participating Member Associations shall fully comply with these regulations as well as with any other regulations, guidelines or instructions issued by FIFA and ensure that their members, officials, players, delegates and other affiliates also comply.

18 Financial provisions

1. Each Participating Member Association shall be responsible for and bear the costs of the following:
 - a) board and lodging during the World Cup (in excess of the amounts paid by FIFA or the LOC);

- b)** any costs associated with additional members of the association's delegation (in excess of the official delegation as defined in these Regulations).
- 2.** The Organising Association shall, in accordance with the HA, organise and bear the costs of all domestic travel (ground, rail or air) for each Delegation Member of each Participating Member Association, including their equipment and all related expenses.
- 3.** FIFA shall bear the costs of the following:
- a)** international air travel (economy class) for each Delegation Member of each Participating Member Association from the capital city of the respective Participating Member Association (or, in exceptional cases, upon approval by FIFA, from another city determined by FIFA) to the capital city of the host country or, if deemed necessary by FIFA, to the international airport nearest to the venue where the team is scheduled to play its first match or any other venue designated by the FIFA Organising Committee, with an airline specified by FIFA. Depending on the contracts negotiated between FIFA and the airline(s), FIFA will decide on the weight of excess baggage for which FIFA will bear the costs, and will inform the Participating Member Associations accordingly. In the case of transit stops during travel to and/or from the host country, FIFA will, subject to prior approval, bear the costs for the bus transfer from the airport to the hotel and back, as well as accommodation and meals for the Delegation Members. All additional costs and expenses shall be borne by the Participating Member Association concerned;
- b)** board and lodging for each Delegation Member of each Participating Member Association. These rooms shall be available for the number of nights prior to the opening match as specified in the Technical Rules for the Final Competition, until one night (two nights, if an earlier departure is not possible) after the last match of the Participating Member Association concerned. The FIFA Organising Committee may make exceptions in the event of unforeseen circumstances resulting from transport difficulties;

- c)** laundry service of the officials and players of each Participating Member Association for the match kits and one set of training kit per day for the number of days prior to the opening match as specified in the Technical Rules for the Final Competition until the day of the last match of the Participating Member Association concerned in the final competition.
- 4.** Any expenses other than those stipulated in these Regulations and explicitly outlined not to be borne by FIFA or the Organising Association shall be borne by the relevant Participating Member Association.

2. The draw will be organised by the LOC and will (subject to timing considerations) be combined with a team workshop (and other related activities) on the World Cup.

21 Arrival at venues

Each team participating in the final competition shall arrive in the venue of their first group match at least four days before the team's first match. Only official team hotels under contract with either FIFA or the Organising Association shall be used for the teams' accommodation.

22 Eligibility of players

1. Each Participating Member Association shall ensure the following when selecting its representative team for the World Cup:

a) all players shall hold the nationality of its country and be subject to its jurisdiction;

b) all players shall be eligible for selection in accordance with the FIFA Statutes and relevant FIFA regulations, in particular art. 15 to 18 of the Regulations Governing the Application of the FIFA Statutes.

2. In addition to the above provision, each Participating Member Association shall ensure that all players of its representative team were born on or after 1 January 1994.

3. In addition to the above provisions, players selected for a representative team at the final competition of a previous edition of the FIFA U-17 World Cup (previously known as the FIFA U-17 World Championship) or the FIFA U-20 World Cup (previously known as the FIFA World Youth Championship) will not be authorised to compete in the FIFA U-17 World Cup Mexico 2011, even if still eligible from the point of view of age. Players who have only taken part in the preliminary competition of a previous edition of a FIFA U-17 World Cup or a FIFA U-20 World Cup are exempt from this restriction.

4. Protests regarding the eligibility of a player shall be decided by the FIFA Disciplinary Committee in accordance with the FIFA Disciplinary Code.

5. The Participating Member Associations are responsible for fielding only eligible players. Failure to do so will lead to the consequences stipulated in the FIFA Disciplinary Code.

23 Player lists and official delegation lists

1. Each Participating Member Association shall submit a provisional list of players (a minimum of three of whom shall be goalkeepers) to the FIFA general secretariat, accompanied by copies of the birth certificate and passport of each player appearing on the list. Further specifics of the provisional list, including the number of players allowed on the list and the deadline by which the list shall be submitted to the FIFA general secretariat, will be stipulated in the relevant circular.

2. The final team list of the 21 players (three of whom shall be goalkeepers) selected to participate in the final competition shall be submitted to the FIFA general secretariat, using the official form, at least ten working days before the opening match of the final competition, as stipulated in the relevant circular. The players on the final team list must be chosen from the players on the provisional list. The final team list shall be accompanied, at a minimum, by the following information:

- Full last name
- All first names
- Popular name
- Name to be placed on shirt
- Number to be placed on shirt
- Number of caps and number of goals
- Position
- Date of birth
- Passport number and expiration date
- Club and country of the club
- Height and weight

3. Only the 21 players on the final list will be permitted to take part in the final competition. Only the numbers 1 to 21 may be allocated to these players, with number 1 being reserved exclusively for one of the goalkeepers. The numbers on the back of the shirts shall correspond with the numbers indicated on the final team list. In the event of a goalkeeper needing to be replaced by an outfield player (due to injuries or red cards), each team shall provide a goalkeeper jersey without a number displayed on the back of the shirt in order to distinguish this replacement goalkeeper from the other players.

- 4.** A player listed on the final team list may be replaced by a player from the provisional list only in the event of serious injury up until 24 hours before the kick-off of his team's first match. Such replacements must be approved in writing by the FIFA Medical Committee upon receipt and acceptance of a written detailed medical assessment. The FIFA Medical Committee will issue a certificate stating that the injury is sufficiently serious to prevent the player from taking part in the final competition and hand over such certificate to the FIFA Organising Committee for approval. Upon approval, the association shall immediately nominate a replacement and inform the FIFA general secretariat accordingly (including all the specific player information listed in art. 23 par. 2). The replacement player must be assigned the shirt number of the injured player being replaced.
- 5.** The final list of 21 players will be published by the FIFA general secretariat. This final list of 21 players plus eight officials will constitute the official delegation list.
- 6.** Before the start of the final competition, every player on the final list must prove his identity, nationality and age by producing his legally valid individual passport with photograph (stating day, month and year of birth) and a copy of his birth certificate. Any player who fails to submit these documents will not be allowed to take part in the final competition.
- 7.** All 21 players shall be named on the player list for each match (11 selected players and ten substitutes). Not more than 18 people (eight officials and ten substitutes) shall be allowed to sit on the team bench. A suspended player will not be allowed to sit on the team bench. Up to a maximum of three of the substitutes may take the place of the selected players at any time during the match.
- 8.** Before the start of the final competition, every team official on the official delegation list must prove his identity by producing his legally valid individual passport with photograph. FIFA shall issue each player and team official with an official accreditation bearing a photograph. Each Participating Member Association will receive a maximum of 29 accreditations (21 for the listed players and eight for their officials).

9. Only players in possession of valid accreditation may play in the final competition. The accreditation shall always be available for inspection.
10. Injured players who are replaced up until 24 hours before the kick-off of their team's first match (cf. art. 23 par. 4) must return their accreditation to FIFA. Accordingly, players who have returned their accreditation shall no longer be considered members of the Participating Member Association's official delegation list.
11. The Participating Member Associations shall ensure that all accreditation data required by FIFA is submitted by the deadline stipulated by FIFA. Further details will be outlined in a FIFA circular letter.

24 Competition format

1. The final competition shall be played in a group stage, followed by three knockout stages, the play-off for third place and the final.
2. In the group stage, the last matches in each group shall be played simultaneously.
3. In the knockout stages, if a match is level at the end of normal playing time, no extra time shall be played and the winner shall be determined by kicks from the penalty mark.

25 Group stage

1. The 24 participating teams will be divided into six groups of four teams.
2. The FIFA Organising Committee will divide the teams into groups by seeding and drawing lots in public, taking into account geographic and sporting considerations.

3. The teams in the six groups will be designated as follows:

Group A	Group B	Group C	Group D	Group E	Group F
A1	B1	C1	D1	E1	F1
A2	B2	C2	D2	E2	F2
A3	B3	C3	D3	E3	F3
A4	B4	C4	D4	E4	F4

4. The system of play will be the league system, each team playing one match against each of the other teams in the same group, with three points for a win, one point for a draw and none for a defeat.

5. The ranking of each team in each group will be determined as follows:

- a)** greatest number of points obtained in all group matches;
- b)** goal difference in all group matches;
- c)** greatest number of goals scored in all group matches.

If two or more teams are equal on the basis of the above three criteria, their rankings will be determined as follows:

- d)** greatest number of points obtained in the group matches between the teams concerned;
- e)** goal difference resulting from the group matches between the teams concerned;
- f)** greater number of goals scored in all group matches between the teams concerned;
- g)** drawing of lots by the FIFA Organising Committee.

6. The two teams finishing first and second in each group and the four best teams among those ranked third qualify for the round of 16.

7. The four best teams among those ranked third will be determined as follows:

- a)** greater number of points obtained in all group matches;
- b)** goal difference resulting from all group matches;
- c)** greater number of goals scored in all group matches;
- d)** drawing of lots by the FIFA Organising Committee.

30 Trophy, awards and medals

1. A representative from FIFA will present the winner of the World Cup with the trophy.
2. A souvenir plaque will be presented to each Participating Member Association.
3. A diploma will be presented to the associations ranked first, second, third and fourth in the final competition.
4. Medals will be presented to each of the top three teams in the final competition, i.e. gold medals to the winners, silver medals to the runners-up and bronze medals to the team ranked third.
5. One medal will be presented to each of the referees, assistant referees and fourth officials who take charge of the play-off for third place and the final.
6. A fair play contest will be held during the final competition (cf. Appendix). The FIFA Organising Committee will determine the ranking at the end of the final competition. Such decisions are final.
7. At the conclusion of the World Cup, the following special awards will be presented:

a) Fair Play Trophy

The FIFA Fair Play Trophy, a fair play medal for each Delegation Member, a diploma and a voucher for USD 10,000 worth of football equipment (to be used for youth football development) will be presented to the team finishing first in the fair play contest. The applicable rules are in the fair play contest regulations.

b) Golden Shoe

The Golden Shoe will be awarded to the player who scores the most goals in the final competition. If two or more players score the same number of goals, the number of assists (as determined by members of the FIFA Technical Study Group) will be decisive. Each goal is worth three points and each assist one point.

If two or more players are still equal after taking into account the number of assists, the total minutes played in the final competition will be taken into account, with the player playing fewer minutes ranked first.

A Silver Shoe and a Bronze Shoe for the second and third highest goal scorers will also be awarded.

c) Golden Ball

The Golden Ball will be awarded to the best player in the final competition on the basis of a vote taken among the media accredited for the final competition. A short list of players to be considered for the Golden Ball will be determined and provided to the accredited media by the FIFA Technical Study Group. A Silver Ball and a Bronze Ball will be awarded to the second and third best players.

d) Golden Glove

The Golden Glove will be awarded to the best goalkeeper in the final competition on the basis of a ranking compiled by the FIFA Technical Study Group.

- 8.** There are no official awards other than those listed above, unless otherwise decided by the FIFA Organising Committee.

31 Special circumstances

The FIFA Organising Committee shall, in conjunction with the Organising Association, issue any instructions necessitated by special circumstances that may arise in the host country. These instructions shall form an integral part of these Regulations.

32 Matters not provided for

Any matters not provided for in these Regulations and any cases of force majeure shall be decided by the FIFA Organising Committee. All decisions shall be final and binding and not subject to appeal.

33 Languages

In the case of any discrepancy in the interpretation of the English, French, Spanish or German texts of these Regulations, the English text shall be authoritative.

34 Copyright

The copyright of the fixture lists drawn up in accordance with the provisions of these Regulations is the property of FIFA.

35 No waiver

Any waiver by FIFA of any breach of these Regulations (including of any document referred to in these Regulations) will not operate as, or be construed to be, a waiver of any other breach of such provision or of any breach of any other provision or a waiver of any right arising out of these Regulations or any other document. Any such waiver shall only be valid if given in writing. Failure by FIFA to insist upon strict adherence to any provision of these Regulations, or any document referred to in these Regulations, on one or more occasions will not be considered to be a waiver of, or deprive FIFA of the right to subsequently insist upon strict adherence to that provision or any other provision of these Regulations, or any document referred to in these Regulations.

36 Enforcement

These Regulations were approved by the FIFA Executive Committee on 6 June 2010 and came into force immediately thereafter.

I. General provisions

- 1.** As part of its campaign to promote fair play, FIFA regularly holds a fair play contest during its championships, based on an appraisal of the teams' conduct by a FIFA delegate such as the match commissioner, a member of the Technical Study Group or a member of a standing committee.
- 2.** The objective of fair play activities is to foster a sporting spirit among players, team officials and spectators, thereby heightening the fans' enjoyment of the game.
- 3.** At the final whistle of each game, the delegate shall complete the appropriate fair play form after consulting the referee and the referee assessor.
- 4.** Every match in the final competition shall be taken into account.
- 5.** The FIFA Organising Committee shall compile and publish the classification at the end of the final competition. Its decision is final.
- 6.** FIFA will award the team that wins the fair play contest a trophy, a medal for each player and official, and a diploma, all of which the team can keep permanently. The team shall also receive a voucher valued at USD 10,000, which shall be exchanged for a supply of football equipment to be used exclusively for youth development.

II. Assessment criteria

1. The assessment form contains six criteria by which the teams' fair play performance shall be judged, stressing the positive aspects rather than negative. As a general rule, maximum points shall only be awarded if the team concerned displays a positive attitude.

2. Red and yellow cards shall be deducted from a maximum of 10 points:

- first yellow card: minus 1 point
- second yellow/indirect red card: minus 3 points
- direct red card: minus 3 points
- yellow card & direct red card: minus 4 points

Red and yellow cards are the only criteria entailing minus points.

3. Positive play

Minimum 1 point

Maximum 10 points

The aim of this criterion is to reward attacking and attractive play, and shall take into account such aspects as:

- a) Positive aspects**
 - attacking rather than defensive tactics;
 - speeding up the game;
 - constantly attempting to score even if the desired result (e.g. qualification) has already been achieved.

- b) Negative aspects**
 - tactics that rely on rough play;
 - play-acting;
 - time-wasting etc.

- c) As a general rule, positive play is correlated with the number of scoring chances created and the number of goals scored.

4. Respect towards the opponent

Minimum 1 point

Maximum 5 points

Players are expected to respect the Laws of the Game, the competition regulations and opponents etc.

When assessing the players' behaviour towards the opponents, duplication of the judgment for red and yellow cards should be avoided. However, the delegate may take into account the seriousness of the offences punished by cards as well as those overlooked by the referee.

Assessment shall be based on positive attitudes (e.g. helping an injured opponent) rather than on infringements. Behaviour that is basically faultless but does not outwardly show any particularly positive attitude or gesture towards opponents shall be given a mark of 4 rather than 5.

5. Respect towards the referee/match officials

Minimum 1 point

Maximum 5 points

Players are expected to respect the match officials and the decisions they take.

A positive attitude towards the referee, including acceptance of decisions without protest, shall be rewarded. Behaviour that is basically faultless but does not outwardly show any particularly positive attitude or gesture towards the match officials shall be given a mark of 4 rather than 5.

6. Behaviour of the team officials

Minimum 1 point

Maximum 5 points

Coaches and other team officials are expected to encourage the sporting, technical, tactical and ethical standards of their team and to direct the players to behave in accordance with the principles of fair play.

Both positive and negative factors in the behaviour of the team officials shall be included in the assessment, such as for instance whether they calm down angry players or how they accept the referee's decisions. Inciting or provoking players shall be rated negatively.

Cooperation with the media shall also be a factor in the assessment. Behaviour that is faultless but does not outwardly show any particularly positive attitude or gesture shall be given a mark of 4 rather than 5.

7. Behaviour of the crowd

Minimum 1 point

Maximum 5 points

The crowd is considered to be an integral part of a football match. Fans can contribute to the positive atmosphere of a match by encouraging their team by cheering and singing etc. in the spirit of fair play.

Spectators are, however, expected to respect the opponents and the referee. They should appreciate the opponents' performance regardless of the result and in no way intimidate or frighten opponents, the referee or the opponents' supporters.

The maximum number of points (5) may only be awarded if all these requirements have been satisfied, especially as regards creating a positive atmosphere.

44 APPENDIX: FAIR PLAY CONTEST REGULATIONS

This criterion is applicable only if a substantial number of fans of the team concerned are present. If the number of fans is negligible, "n.a." (not applicable) shall be entered under this item.

III. Final assessment

1. The final assessment of a team is obtained as follows:

a) the points awarded are added together, e.g. for team A:

$$8 + 7 + 3 + 4 + 5 + 4 = 31$$

b) this total is divided by the maximum number of points possible (40):

$$31 \div 40 = 0.775$$

c) this figure is multiplied by 1,000: $0.775 \times 1,000 = 775$

If, however, the number of fans supporting a certain team is negligible and the "behaviour of the crowd" criterion consequently disregarded ("n.a." – cf. art. II par. 7 of the fair play contest regulations), the maximum number of points obtainable will be 35.

Thus the final assessment would be attained as follows:

a) the points awarded are added together, e.g. for team B:

$$7 + 8 + 2 + 5 + 2 = 24$$

b) this total is divided by the maximum number of points possible (35):

$$24 \div 35 = 0.686$$

c) this figure is multiplied by 1,000: $0.686 \times 1,000 = 686$

The overall assessment of a team during the final competition shall be calculated by adding the points attained at each match and dividing this figure by the number of matches played.

2. Teams that are eliminated after the group stage of the final competition shall be excluded from the fair play contest.

3. In addition to making the assessment, members of FIFA may give a short oral account of the teams' fair play performance to explain the positive and negative factors, which form the basis of their assessment. The account may also point out any outstanding gestures of fair play from a player, official, referee or any other person. However, no additional points shall be awarded for this reason.

4. These regulations have been approved by the FIFA Organising Committee.

These regulations have been ratified by the FIFA Executive Committee and come into force immediately.
